

Register for Your Choose Life License Plate

We are very close to having a specialty plate in Massachusetts that benefits our pregnancy crisis centers. Won't you help?

Register for your own Choose Life License Plate and then tell your friends, your relatives, your co-workers and your house of worship to do the same. Consider running a parish drive to promote the plate.

We need 3000 registrants in order to get this plate on the road. That's all there is to it. When you register for the plate, you pay \$40 more than your regular registration fee. \$12 goes to pay for the plate and \$28 goes to Choose Life, Inc. which will distribute it to the centers. 3000 plates will create revenue of \$84,000 in just the first year! Upon re-registration, the plates will bring in \$120,000 and that is just for 3000 plates. Think what we could do as more people register!
