APPLICATION FOR CHOOSE LIFE LICENSE PLATE

WHAT'S NEW WITH MASSACHUSETTS CHOOSE LIFE

Our campaign for the Choose Life license plate has been largely successful. In a two month period we have exceeded the number of registrations we collected over the last five years. In order to keep this momentum, we are extending our deadline to October 31, 2009. We chose October for two reasons. October is Life Month and holds great significance for the Choose Life license plate. In addition, October is four months after our former June deadline and checks we have collected will still be valid.

In response to many requests for a redesign of the Choose Life license plate graphic, we are sharing a new proposed logo. This sketch of a mother and child is an interim design and will be refined in the near future. *As with our former logo, the final product is subject to change and approval by the Registry of Motor Vehicles.* Your comments are appreciated. Please forward them to our contact information at the bottom of this form.

Final Design Subject to Change

WHO BENEFITS

Nationally, Choose Life distributes profits from the license plate to pregnancy resource centers through a grant process. Eligible centers must be non-governmental, not for profit corporations. These agencies may not be involved or associated with abortion activities in any way, including counseling for, referring to, or advertising for abortion facilities.

Funds may be allotted for the material needs of women including clothing, housing, medical care, food, utilities and transportation. Funds may be used to enhance qualified agencies efforts through counseling, training and advertising. These

funds may be used for education and promotion of Massachusetts Safe Haven Law which allows parents to legally surrender a newborn of seven days or younger to a hospital, police station or manned fire station without risk of facing criminal prosecution.

WHAT YOU CAN DO

This may be our last chance to make Choose Life a reality in Massachusetts. We need people to help publicize the Choose Life license plate and our deadline. People must mail their completed registrations and check in by October 31, 2009.

We need your help to obtain 3000 registrations by October 31, 2009.

Please sign up. Tell your friends. Tell your local Houses of Worship. Consider holding a signup yourself. Contact us for a signup kit. **If every person who has already registered gets five more people to register, we will have more than enough. We are that close!**
