Choose Life, Massachusetts Activities to Date

On March 19, I had the privilege of attending the Boston Catholic Men's Conference held at Boston College High School where I hosted a table to promote Choose Life. While there, I met many men who signed up in support of the Choose Life license plate including the Knights of Columbus State Deputy, Richard F. Guerriero. Mr. Guerriero was kind enough to invite me to host a table at the Knights of Columbus State Conference held the weekend of May 21st in Danvers.

On May 21, I attended the Knights of Columbus State Conference in Danvers and was fortunate enough to meet Knights from all across the state of Massachusetts. This was particularly wonderful as I finally met Choose Life supporters from the western Massachusetts. With these contacts, I hope to be successful in spreading the word to promote Choose Life in all parts of the state.

I have two future events on the calendar.

On July 16 and July 17, I will have a table at the Northeast Catholic Family Conference hosted by the Knights of Columbus at Stonehill College in Easton. You can find out more at <http://www.necatholicfamilyconference.com/>

On July 30, I will be at the Proud2BCatholic festival at the Marist house in Framingham. There is more information about the event at www.proud2bcatholic.com.

We are still far short of the 1500 applicants I need prior to approaching the Massachusetts Legislature to get the plate approved. Ultimately, I wish to get at least 3000 which is required within the first 24 months to keep the plate going. You can help. If you are getting this email, you signed up in support of the Choose Life license plate. Please refer your friends and relatives to my web site www.machoose-life.org. Our web site also has a "Tell A Friend" option where you can send a customized email that will introduce the person of your choice to Choose Life. Please take the time to help pass the word about this historic effort.

Are you interested in learning more about Choose Life and how you can help? I am fortunate to have Russell Amerling, one of the founders of the original Choose Life license plate, visiting here this weekend from Florida. I plan on hosting a talk with Russ in my home on June 3, 2005 from 7:30 – 9:00. If you are interested in attending, please contact me at 781-224-0404 or email me at mnordeen@yahoo.com for more information. Russ's fondest wish is to see Choose Life succeed each of the 50 United States. Please consider attending to see what you can do.
